

Sam Mantell

SENIOR PRODUCER & PROJECT MANAGER

Los Angeles, CA · samuel.mantell@gmail.com · linkedin.com/in/sam-mantell · sammantell.com

Full-stack producer with 15+ years driving end-to-end production across digital media, branded content, and documentary film. Specializes in designing scalable production workflows and providing connective tissue between creative, production, post, and publishing. Detail-obsessed pragmatist with efficacy rooted in communication. MBA in the Business of Entertainment. AI-fluent: builds custom production tools and pipelines using Claude.

EXPERIENCE

Temp Producer / Post-Producer

2026

.Monks · Los Angeles, CA / Miami, FL

- › Stepped into senior producer role on short notice, rapidly mastered new production workflow and crew dynamics; managed real-time run of show and post-production logistics during a major brand sponsorship, delivering high-velocity social activations lauded by clients.
- › Owned client-facing deliverable distribution on Frame.io; coordinated rapid edit turnarounds, shepherded client feedback, managed version control, dual-language edits, and final asset delivery under nightly deadlines.

Producer

2025 – Present

Zips (Short Film) · New York, NY

- › Orchestrate a complex microbudget period-piece production – 75-person cast/crew, 4 locations, 14 pages in 2 days – owning budget, schedule, office and set logistics, cast and crew contracts, vendor management, SAG and NYC permit compliance, and 1st AD duties.
- › Manage post-production operations and final asset delivery, coordinate vendors, and provide editorial oversight.
- › Develop social media strategy, create content, and manage Instagram community during run-up to film festival premiere.

Clipping Content Creator & Editor

2025 – Present

Clip.Tech / @ByteSyzeTV · Los Angeles, CA

- › Create viral clipping content for music and podcasting clients across YouTube Shorts and TikTok; consistently driving 150K+ views per month.
- › Grow @ByteSyzeTV to 3,500+ followers, 11M views by prioritizing editorial quality and narrative-driven editing over simple highlight cuts.

Producer

2024 – Present

Kaleb & Ms. Kelsey (Digital Series) · Los Angeles, CA

- › Design novel production workflow for short-form educational puppet series, and optimize post-production for multi-platform publication.
- › Develop, create, and publish social media and email marketing content for long-form pilot crowdfunding campaign; raise 150% of goal.
- › Own microbudget management, crew staffing, vendor management, shoot logistics, and post-production for long-form series pilot.
- › Exceed 14% engagement rate on TikTok, and 4.6% on Reels across 130K+ organic views, and earn numerous film festival awards.

Producer

2021 – 2024

Giphy Studios · Los Angeles, CA

- › Scaled post-production capacity 100x year-over-year, supervising 150K+ brand partner deliveries; managed production requests, editor assignments, partner notes, and QC in Asana; tracked and analyzed throughput with Google Sheets, and publicly reported team wins in Slack.
- › Producer of record for the studio's highest-revenue operation; scoped, planned, and managed cross-functional alignment between creative and account teams; executed creative; generated 552M+ impressions, including one campaign achieving 91% organic reach.
- › Built the live GIF program from the ground up; designed workflow, hired and trained freelancers, migrated scheduling infrastructure; drove real-time coverage of Super Bowl LVIII, The Oscars, Paris Olympics, Saturday Night Live, and 50+ additional tentpoles; delivered 10B+ views.
- › Analyzed Tableau and Google Analytics, developed creative strategy for underserved international audiences, produced original live-action and animated content in 5 languages, delivering more than 15B views and eliminating service shortfalls for international evergreen keywords.

Producer, Editor

2015 – 2020

Disco'd (Feature Documentary) · Los Angeles, CA

- › Owned all aspects of a 5-year Oscar-qualified documentary production — principal photography, post-production, marketing, business administration, and festival exhibition — with a two-man team on \$0 budget.
- › Navigated rapidly-evolving production environment on Los Angeles streets, built strong relationships with unhoused individuals at the time of filming, and captured their stories in an unfiltered, verité style.
- › WINNER – Audience Award, Documentary, Brooklyn Film Festival; Official Selection: Maysles Brothers Competition – Belfast Film Festival.

Producer

2016 – 2019

University of Southern California · Los Angeles, CA

- › Developed and produced a 10-episode documentary-style YouTube explainer series highlighting the cutting-edge research of USC's Graduate Fellows, transforming doctorate-level research into engaging video content.
- › Owned creative, budget management, and editorial responsibilities; interviewed graduate fellows; coordinated with external vendors, university administrators, and social media strategists; delivered under budget and on schedule.

Freelance Producer

2017 – 2018

AOK YouTube Channel (The Jackal Group) · Los Angeles, CA

- › Produced monthly shorts for YouTube; managed creative team, production logistics, budgets, and contracts.
- › Drove 450K+ views across 6 films; two pieces each surpassed 160K views, including a top-performing live-action parody.
